

CORNELL UNIVERSITY  
INSTITUTE OF BIOTECHNOLOGY  
CENTER FOR ADVANCED TECHNOLOGY  
A NEW YORK STATE DESIGNATED-CENTER FOR LIFE SCIENCE ENTERPRISE

# Biotechnology to Business: Center for Advanced Technology (CAT) Annual Awardees' Showcase

**Friday, June 9, 2017**  
**9:00 am – 12:00 pm**  
**Biotechnology Building G01**

Cornell's Center for Advanced Technology (CAT) offers funding and supports partnerships between Cornell Life Science researchers and New York State industries to develop **biotechnologies with commercial potential.**

**Come see our 2016-17 CAT Grant awardees' presentations!**

A feedback panel will provide guidance for the next steps the researchers can take to bring their biotechnologies closer to commercialization.

Plan to attend if you are:

- ✓ CAT awardee, past or present
- ✓ CAT awardee for the coming 2016-17 cycle
- ✓ Researchers who applied for a CAT award but were not funded
- ✓ Interested in applying for a CAT award
- ✓ Interested in learning any aspects of technology commercialization at Cornell
- ✓ A representative of a biotechnology company of New York State
- ✓ Researchers, Faculty, Students – ALL ARE WELCOME!

Refreshments and a networking reception at end of program.
