# **Want to fund your new startup?**

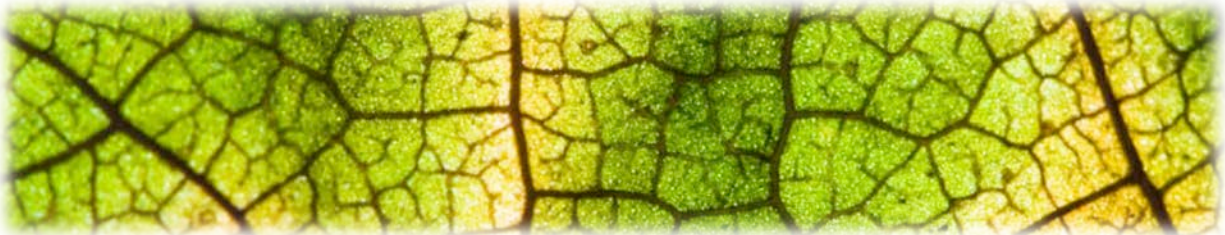

***If you want to start a new biotechnology or other  
science business, this workshop is for you!***

**FREE! Join us for breakfast:  
8:00 – 10:00 am  
Wednesday, Sept 14, 2016  
Biotechnology Building G-01**

Speaker: **Marcene Sonneborn**

Central New York Technology Development Organization (TDO) Upstate Regional SBIR Specialist

- Federal SBIR/STTR awards are an important source of funding for startups
- Federal SBIR/STTR awards stimulate early-stage business development out of university and industry technologies
- This talk will provide current information and practical advice to faculty, research associates, postdocs, and students interested in acquiring funding for science-related startups
