

# Writing a Competitive CAT Grant Proposal: Essential Facts to Know

**Getting  
Funded**

CENTER FOR ADVANCED TECHNOLOGY (CAT)

Noon – 1:00 pm, Wednesday, October 5, 2016  
Biotech Building, G-01

*Attention, Cornell Life Science Faculty and Senior Research Associates  
& Potential Industry Partners:*

## Get the scoop on writing a successful CAT grant proposal!

You'll learn what the reviewers are looking for,  
including strong points to include in the  
application sections:

- ✓ Scientific merit
- ✓ Commercialization pathway
- ✓ Economic development plan

Next deadline for CAT grant proposals:  
March 20, 2017

CAT Business Development & Outreach Director Marla Coppolino will be presenting, and CAT Executive Director Tami Magnus will answer all your financial questions.
